### § 314.2 Federal Interest.

(a) Property that is acquired or improved, in whole or in part, with Investment Assistance shall be held in trust by the Recipient for the benefit of the Project for the Estimated Useful Life of the Project, during which period EDA retains an undivided equitable reversionary interest in the Property (the “Federal Interest”). The Federal Interest secures compliance with matters such as the purpose, scope and use of a Project and is often reflected by a recorded lien, statement or other recordable instrument setting forth EDA’s Property interest in a Project (e.g., a mortgage, covenant, or other statement of EDA’s Real Property interest in the case of a Project involving the acquisition, construction or improvement of a building. *See* § 314.8.)

(b) When the Federal government is fully compensated for the Federal Share of Property acquired or improved, in whole or in part, with Investment Assistance, the Federal Interest is extinguished and the Federal government has no further interest in the Property.

### § 314.3 Authorized Use of Property.

(a) The Recipient or Owner must use any Property acquired or improved in

whole or in part with Investment Assistance only for the authorized purpose of the Project and such Property must not be Disposed of or encumbered without EDA’s prior written authorization.

(b) Where EDA and the Recipient determine that Property acquired or improved in whole or in part with Investment Assistance is no longer needed for the original purpose of the Investment Assistance, EDA, in its sole discretion, may approve the use of such Property in other Federal grant programs or in programs that have purposes consistent with those authorized by PWEDA and by this chapter.

(c) Where EDA determines that the authorized purpose of the Investment Assistance is to develop Real Property to be leased or sold, such sale or lease is permitted provided it is for Adequate Consideration and the sale is consistent with the authorized purpose of the Investment Assistance and with all applicable Investment Assistance requirements including but not limited to nondiscrimination and environmental compliance.

(d) EDA, in its sole discretion, may approve the transfer of any Property from a Recipient to a Successor Recipient (or from one Successor Recipient to another Successor Recipient). The Recipient will remain responsible for complying with the rules of this part and the terms and conditions of the Investment Assistance for the period in which it is the Recipient. Thereafter, the Successor Recipient must comply with the rules of this part and with the same terms and conditions as were applicable to the Recipient (unless such terms and conditions are otherwise amended by EDA). The same rules apply to EDA-approved transfers of Property between Successor Recipients.

(e) When acquiring replacement Personal Property of equal or greater value than Personal Property originally acquired with Investment Assistance, the Recipient may, with EDA’s approval, trade in such Personal Property originally acquired or sell the original Personal Property and use the proceeds for the acquisition of the replacement Personal Property; provided
